Who We Are

Cuckoo Care started in 2014 with just two clients and two carers in the village of Marsden in Huddersfield. We now have a team of experienced carers, and we'd love to expand our team.

Our ethos is kindness and empathy. We want to enable elderly people to continue to live in their own home and local community.

The Role

- To deliver high-quality care services in accordance with individual care plans.
- Assist clients with personal care tasks, including bathing, dressing, and toileting.
- Support clients with medication administration.
- Assist with mobility and transfers, using appropriate techniques and equipment to ensure safety.
- Provide companionship and emotional support to clients and engage in meaningful conversations and activities.
- Assist with meal preparation.
- Help clients maintain their home. This could involve laundry, cleaning, and other domestic tasks.

The role involves visiting our clients in their homes across Marsden and Meltham. Therefore, **we are looking for drivers with their own vehicle.**

Please note, we do not have a sponsorship license.
