

# **Female Personal Assistants**

## **Liversedge**

**We are looking for a team of Personal Assistants to support a lady who has recently come out of hospital after some extensive surgery and she is also an amputee. She is looking for individuals who have a sense of humour and who are fun and good natured.**

**24 hour care is required to help her recover from her recent surgery. The role will involve all aspects of personal care and domestic duties e.g. cleaning and tidying the house, laundry and preparation of meals.**

**She will also need some support to help run her business (confidence using the internet, writing emails and utilising social media will be required).**

**Admin/Social Media skills - advantageous**

**£12 per hour  
£150 per night**

**Full Driving License and access to own vehicle required**

**12 hour shifts available  
Days and Nights  
Hours flexible to meet your availability and personal circumstances**
