HOURS / WORKING PATTERN

We are looking for full time and part time Care Workers to join our growing care team! We are looking for candidates who can do anything from 16 hours, to 37, or more!

Our earliest calls are at 6:45am, and our latest finish time is 9:30pm. You would be working either mornings, evenings, full days, or a mixture!

When working full days, you will have plenty of breaks, including a longer break in the afternoon (2pm – 3.45pm) so you can rest, recharge, or even pick the kids up from school.

We are semi flexible when it comes to hours, so let us know your availability.

WHO WE ARE

Established in 2019 by its founders, Nova Care Yorkshire was created to make a difference to those who wanted to stay at home and enjoy their older years and in the comfort of their own familiar surroundings. We are only looking for drivers at the moment, who have their own car.

You will be driving to each client's house, taking in our lovely Yorkshire scenery!

We will always make sure your clients are local to where you live and are close to one another.
