WHO WE ARE

Join our passionate and dedicated team who provide exceptional care and support so vulnerable people can live their best lives!

We provide care and support to adults with a range of learning disabilities, physical disabilities, autism, and complex needs. Working at our Mirfield or Huddersfield sites, you will be providing support to our clients who are living independently in our specially designed support living apartments. Thank you for your interest in our roles!

Please note, we do not have a sponsorship licence.

HOURS / WORKING PATTERN

We have multiple vacancies available across our Mirfield and Huddersfield services.

- **Mirfield (24 hours per week)**
- **Huddersfield (21 – 35 hours per week)**

We have mixed shifts available across both services, starting at 8 am onwards and finishing around 9 pm. You will be working a variety of shifts within this working window.

These shifts are flexible, based on the needs of our clients.

Rotas are provided 4 weeks in advance, so you'll always be provided with your shift patterns in advance.

All shifts include either one set day on a weekend or alternate weekends, but we are also looking for individuals who prefer to work weekends only!

THE ROLE

You'll help the people we support to develop their independence in all aspects of everyday life. This could include personal care, meal preparation, and taking part in hobbies & activities. You'll be out and about, enjoying life together and no single day will be the same. Being a driver with a car is advantageous for these roles, but not essential.

WHAT WE OFFER

- Enhanced evening and weekend pay at an additional 50p per hour (Terms & Conditions apply)
- Premium overtime rates with an additional £1 per hour (Terms & Conditions apply)
- Refer a Friend BONUS (£500 per friend, refer 3 friends and earn £2000!)
- Good opportunities to progress if you want it
- Paid DBS and holidays
- Long service awards & retail rewards and savings
- Life assurance and pension scheme

If you have any questions about this role, please contact in2care on 01484 416200 or email in2carekirklees@kirklees.gov.uk
