CERA CARE

CARE ASSISTANT (DRIVERS)

About Us;

We truly value you and the work you do! Care Assistants are at the core of Cera's vision of empowering people to live longer, healthier lives in their homes, and are our greatest asset. Our values of Commit, Connect and Create are at the heart of all that we do.

At Cera, care is not just a job - it's a career, and we commit to helping you progress and truly make a difference.

We're looking for kind-hearted people to join us at Cera.

To join us as a Care Assistant, you don't need any previous experience. It may be that you have cared for a vulnerable loved one, experienced a personal loss or be a charitable person that is always looking to help others. That kind of experience gives you rare skills & compassion, understanding and patience.

Your role will involve supporting clients in the beautiful and scenic villages of Skelmanthorpe or Holmfirth (and surrounding) so we are **looking for drivers for this role.**

The Hours;

You will be working either Part time (16 hours+) or full time, with a big amount of flexibility in your hours!

We just ask that you work at least one evening a week, and alternate weekends.

We have mornings (7am – 2pm) and evenings (3pm- 10pm) available. Before starting with us, you will pick your hours, days and shifts – we will then discuss this with you.

We are also looking for candidates who can do long shifts and weekends!

The Role;

Day to day, you will visit clients in their own homes and may support them to get washed and dressed (personal care, including toileting needs). You will ensure that they have grocery supplies and support with their medication and having a hot meal. You may also help them out with household tasks. But that's not why their eyes will light up when you arrive - that will be because of what you bring to their lives with a friendly face, company, reassurance and hopefully some fun.

What We Offer;

- Instant interviews where possible
- Quick start times
- Flexible shift patterns
- Mileage is paid at 25p a mile
- Great opportunity to earn extra income through overtime and our Care Friends referral scheme - up to £500 per referral!
- Earlies, days, and evenings are available
- We provide you with Uniform, a DBS and full training
- Great career pathways for candidates looking to progress
- You'll get a mobile phone with the Cera app, so you can work safely and efficiently

If you would like further support, you can contact us on in2carekirklees@kirklees.gov.uk or call us on 01484 416200
