OUR ROLES

Support Worker Days (Part time / Full time)

(£10.52 per hour)

As a day support worker, you will provide support with personal care, eating and drinking, and a wide variety of exciting and engaging activities for adults and young people with learning disabilities, physical disabilities, and complex needs. No two days will ever be the same, and you will learn something new every day.

Experience is welcome, but not essential, as all training will be given.

Your day with us will start at 7.00am and our latest finish time is 9:30pm.

Your week will normally be a **mixture of early starts, late finishes, full days and half days**. We aim to give you a great work/life balance – so hours can be discussed! However, we do ask that our Support Workers have full availability to start at 7.00am, to make sure our residents are fully supported.

Our service is available all year round for our residents, so we ask that our candidates do both alternate weekends and bank holidays.

Support Worker Nights (Part time/ Full time)

As a night support worker, Your role will mainly involve providing overnight care and making sure our residents are safe, sound and cared for. You will provide support with personal care, eating and drinking for adults and young people with learning disabilities, physical disabilities, and complex needs.

Experience is beneficial but not essential for this role.

The shifts for this role range from either 8:45pm – 8:15am (12.5 hours) or 9:15pm – 7:15am (10 hours). We are open to both part time and full time applications, let us know on the form which you're interested in!

Our service is available all year round for our residents, so we ask that our candidates do both alternate weekends and bank holidays.
