

# elevate

A new young adults service aiming to develop confidence, self-esteem and social skills.

**Aged between 18 - 26 years old?**

**Want to improve your social connections?**

**Would you like the chance to make a positive difference in Kirklees?**

**Our new service has been created with young adults for young adults.**

**We are a friendly group who want to help young people make new friends and build their confidence.**

**We offer opportunities to start a friendship with a like-minded person of a similar age and we also create and facilitate regular groups and events to engage in.**
